WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Agent, for itself and the ratable benefit of Lenders, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein have the meanings given to them in Annex A thereto to the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** Each Grantor hereby grants to Agent, on behalf of itself and Lenders, a continuing first priority security interest in all of such Grantor's right, title and interest in, to

and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

- (a) all of its Trademarks and Trademark Licenses to which it is a party, including those referred to on Schedule I hereto;
- (b) all reissues, continuations or extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

3. CONDITIONAL ASSIGNMENT OF TRADEMARKS. (a) In addition, each Grantor hereby authorizes Agent to complete as assignee, execute pursuant to the Power of Attorney, and record with the United States Patent and Trademark Office and in any other applicable public office or agency of the United States, any State or Territory thereof, or any other country, a document in substantially the form of Exhibit A (the "Assignment of Marks"), upon the occurrence and during the continuance of an Event of Default and the proper exercise of Agent's remedies under the Security Agreement and this Trademark Security Agreement.

(b) In addition to, and not by way of limitation of, the grant of a security interest in the Trademark Collateral provided in Section 2, as collateral security for the complete and timely payment, performance and satisfaction of the Obligations, each Grantor hereby assigns, conveys, mortgages, pledges, hypothecates, transfers and grants to Agent, on behalf of itself and Lenders, its entire right, title and interest in, to and under the Trademark Collateral; provided, however, that such assignment, conveyance, mortgage, pledge, hypothecation, transfer and grant shall be and become of force and effect, with respect to any item of the Trademark Collateral, only: (i) upon or after the occurrence or during the continuance of an Event of Default; and (ii) either (A) upon the written demand of Agent at any time during such continuance, or (B) immediately and automatically, without any notice or action of any kind by Agent, upon the sale or other disposition of such item of the Trademark Collateral pursuant to Section 7 of the Security Agreement and Article 9 of the UCC (including the transfer or other disposition of such item by any Grantor to Agent in lieu of foreclosure).

(c) Notwithstanding any of the foregoing, so long as no Event of Default has occurred and is continuing, and except as otherwise provided in the Security Agreement and this Trademark Security Agreement, each Grantor shall be permitted to remain in full possession, enjoyment and control of all of its right, title and interest in the Trademark Collateral and to manage, operate, dispose and use the same and each part thereof, in each case, as permitted hereunder, with all the rights pertaining thereto. In such event, all of the goodwill embodied in and associated with such Trademark Collateral shall inure to the benefit of such Grantor.

4. **GRANTORS REMAIN LIABLE.** It is expressly agreed by each Grantor that, anything herein to the contrary notwithstanding, each Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks, and shall hold Agent and Lenders harmless from any and all costs, damages, liabilities and expenses that may be incurred in connection with Agent's interest in such Trademarks or any other action or failure to act in connection with this Trademark Security Agreement. Each Grantor shall remain liable for any and all claims by any Person that the conduct of such Grantor's business or products or processes of such Grantor infringe any rights of such Person. Each Grantor shall also remain liable under any and all Trademark Licenses to which it is a party to observe and perform all the conditions and obligations to be observed and performed by it thereunder, and each Grantor shall perform all of its duties and obligations thereunder, all in accordance with and pursuant to the terms and provisions of each such Trademark License. Neither Agent nor any Lender shall have any obligation or liability under any of the Trademark Licenses included in the Trademark Collateral by reason of this Trademark Security Agreement and the Security Agreement, the granting of a security interest in the Trademark Collateral to Agent hereunder, the conditional assignment of the Trademark Collateral to Agent hereunder, or the receipt by Agent of any payment relating thereto, nor shall Agent or any Lender be required or obligated in any manner to perform or fulfill any of the obligations of any Grantor thereunder, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it thereunder or the sufficiency of any performance by any party thereunder, or to present or file any claim, or to take any action to collect or enforce any claim for payment assigned to it hereunder.

4. **SECURITY AGREEMENT.** The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, on behalf of itself and Lenders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
